25X1 4. [] Mrs. Cummings, Assistant to Congress-
woman Edna F. Kelly (D., N. Y.), called and requested a report for Mrs.
Kelly concerning a meeting Mrs. Kelly had heard about concerning high-
ranking Communists from Iron Curtain countries in Cuba in early December.
After checking with the office of DDL, I advised Mrs. Cummings that we had
no knowledge of such meeting taking place at any time during 1964. Mrs.
Cummings thanked me very much and said that she would pass this on when
Mrs. Kelly returns from the floor. 25X1

25X1 7. [] Talked with Carl Marcy, Senate Foreign Relations
Committee staff, furnishing him with four clippings relating to Senator
Fulbright's alleged statements upon coming out of a Committee briefing
where the DCL was the witness to the effect that no coup was expected in
South Vietnam. Marcy indicated that he thought it might be appropriate for
a short statement to be made on this. He plans to work on this in the next
day or so and will show us what he proposes.
